## Lecturer - General Engineering
Clemson University: College of Engineering, Computing and Applied Sciences: General Engineering

**Location:** B01 Holtzendorff Hall
**Open Date:** Nov 27, 2024

## Description
The General Engineering Program at Clemson University invites applications for the position of Lecturer to begin in the fall of 2025. Candidates should have a passion for teaching fundamental mathematical and physical concepts to first year engineering students. Experience using PYTHON, MATLAB or a similar programming language is required. Experience with SolidWorks or AutoCAD is

## Clemson University

desired. The successful candidate will demonstrate a dedication to inclusive excellence in higher education and a commitment to teaching and mentoring beginning engineering students. The General Engineering Program is a common first-year engineering program and serves as the gateway to the engineering majors. The Program seeks to attract an active, culturally, and academically diverse faculty of the highest caliber, skilled in the scholarship of teaching, discovery, application, and integration of knowledge. Classes in General Engineering are taught in the SCALE-UP active learning environment. As such, the successful candidate must have the communication skills and energy to motivate students in large classes in a dynamic, interactive environment. Additionally, lecturers are expected to work in close collaboration with other faculty members in the Program to ensure consistent and coordinated instruction, grading, and assessment of learning outcomes.

## Qualifications
Candidates must have at least a Masters degree from an ABET accredited engineering program, but a PhD in an engineering discipline is strongly preferred. Experience using PYTHON, MATLAB or a similar programming language is required.

## Application Instructions
To apply, send a cover letter, full resume, and a teaching philosophy statement to: [ http://apply.interfolio.com/160014] Applications received on or before January 19, 2025, will receive full consideration; however, the position will remain open until filled.
