Concordia University

Defining the Next-generation University

Situated on the traditional and unceded territory of the Kanien'kehá:ka people, Concordia University is North America's top university under the age of 50, celebrated for advancing transformative learning, convergent thinking and public impact.

The Gina Cody School of Engineering and Computer Science invites applications for various full-time faculty positions in the following departments:

- Department of Building, Civil and Environmental Engineering (BCEE)
- Concordia Institute for Information Systems Engineering (CIISE)
- Department of Computer Science and Software Engineering (CSSE)
- Department of Chemical and Materials Engineering (CME)
- Department of Electrical and Computer Engineering (ECE)
- Department of Mechanical, Industrial and Aerospace Engineering (MIAE)

For detailed information about the positions and how to apply, please visit: [Gina Cody School of Engineering and Computer Science](#).

The Gina Cody School of Engineering and Computer Science is ranked among the top ten engineering schools in Canada. The School is home to over 10,000 engineering and computer science students and a faculty complement of over 250 faculty members. The School has about 4,500 graduate students enrolled in 35 graduate programs. Its research profile continues to grow as it fosters multidisciplinary approaches to finding solutions to a broad range of societal challenges. Concordia University and the School attract a high-quality, diverse student population in all its programs. For more information on the Gina Cody School of Engineering and Computer Science, please visit www.concordia.ca/ginacody.

Employment Equity

Concordia University is strongly committed to employment equity within its community, and to recruiting a diverse faculty and staff. The University encourages applications from all qualified candidates, including women, racialized persons, Indigenous persons, 2SLGBTQI+ persons, and persons with disabilities; candidates are invited to self-identify in their applications.

Immigration status

All qualified candidates are encouraged to apply; however, Canadian and Permanent Residents will be given priority.
