The **Department of Computer Science and Engineering** (CSE) in the **College of Engineering** at American University of Sharjah (AUS) invites applications for visiting and regular faculty positions at the assistant, associate or full professor level commencing in Fall 2025. The visiting faculty positions are primarily focused on teaching. Successful candidates for the regular positions will be expected to establish high-level, active research programs supported by internal and external funding sources. The visiting position is a one-semester renewable contract and the regular position is a three-year renewable contract.

The applicant is required to have a PhD in Computer Engineering/Computer Science or a closely related field and show evidence of a significant teaching portfolio. Excellence in teaching and research, in addition to experience in the American model of higher education are highly desirable.

Applicants should fill out an application form and upload the required documents (PDF) using the following [link](#). The required documents are a cover letter and a detailed curriculum vitae (including a teaching statement, a research statement, list of courses that can be taught or were taught, and names of at least three references who would be willing to write letters of recommendation). Only shortlisted candidates will be contacted. Visiting faculty will receive a one-semester renewable contract and regular faculty will receive a three-year renewable contract. Positions are open until filled.

The Department of Computer Science and Engineering is one the fastest growing departments at AUS. It has approximately 850 undergraduate students, 30 graduate students, 25 faculty and 11 lab instructors. Students and faculty represent very diverse backgrounds and nationalities; approximately 90 nationalities are present on campus. The department offers a Bachelor of Science in Computer Engineering, a Bachelor of Science in Computer Science and Master of Science in Computer Engineering.

AUS is located in the Emirate of Sharjah (about 15 km from Dubai). AUS is an independent, not-for-profit, coeducational university, serving approximately 5,000 students. For more information, [click here](#) to visit our website.

AUS is licensed and its programs are accredited by the Commission for Academic Accreditation of the Ministry of Education's Higher Education Affairs Division in the United Arab Emirates. AUS has been accredited in the United States of America by the **Middle States Commission on Higher Education** (1007 North Orange Street, 4th Floor, MB #166, Wilmington, DE 19801 USA) since June 2004. The Bachelor of Science in Computer Engineering offered by the College of Engineering is accredited by the Engineering Accreditation Commission of ABET, <https://www.abet.org/>. The Bachelor of Science in Computer Science offered by the College of Engineering is accredited by the Computing
