**Apply By Email**

**Job Description**

Montana State University is seeking a dedicated and experienced instructor to join our newly created Master's in Manufacturing Engineering program. The ideal candidate will bring a strong academic foundation, real-world experience, and a passion for mentoring students in advanced manufacturing concepts and technologies.

Montana State University values all perspectives and is committed to continually supporting, promoting and building a whole community, which includes people of many backgrounds. MSU recognizes the importance of work-life integration and strives to be responsive to the needs of dual career couples.

We hope to attract applicants who can teach in a University community and have demonstrated ability in helping students from all backgrounds to succeed.

**EEO/AA Policy**

**AA/ADA/EEO/Vet Prefer Employer**

Montana State University is an equal opportunity employer. MSU does not discriminate against any applicant on the basis of race, color, religion, creed, political ideas, sex, sexual orientation, gender identity or expression, age, marital status, national origin, physical or mental disability, or any other protected class status in violation of any applicable law.

In compliance with the Montana Veteran's Employment Preference Act, MSU provides preference in employment to veterans, disabled veterans, and certain eligible relatives of veterans. To claim veteran's preference, please complete the veteran's preference information located in the Demographics section of your profile.
