The School of Internet of Things at Jiangnan University in China is looking for a postdoctoral fellow in the Remote Sensing area. The appointment will be for up to two years with the possibility for extension. Research projects may involve collaborations with US universities. Salary will be commensurate with experience and qualifications.

Qualifications:

1. Experience in remote sensing data analysis is required;
2. Good verbal and written English skills;
3. Has published at least one peer review paper in SCI/SCIE/SSCI indexed journal(s);
4. Welcome to apply for NSFC joint funding with the research group;
(https://www.nsfc.gov.cn/english/site_1/international/D5/2025/01-17/388.html).

Application:

Please send a cover letter summarizing your interests and qualifications, curriculum vitae, and names of two references in a single pdf document to Dr. Guo. For more information, please contact Dr. Guo at guoy@jiangnan.edu.cn. Review of applications will begin immediately and continue until the position is filled.
