environments, promoting efficient decision support in resource and capacity management.

- Evaluation of the approach developed and analysis of results (KPIs).
- Writing the master's thesis.
- Writing the scholarship activity report.

## **Academic Qualifications**

• Master's student in Mechanical Engineering, branch of Production Management;

## Minimum profile required

- Master's student in Mechanical Engineering, Production Management branch.
- Bachelor's degree in Mechanical Engineering with an average of more than 15 points.

### **Preference factors**

- Knowledge of operational research and operations management.
- Experience in optimisation and programming in Python, Java or similar.
- Strong teamwork skills.
- Knowledge of English and Portuguese.

Maintenance stipend: € 601,12, according to the table of monthly maintenance stipend for FCT grants, paid via bank transfer. Grant holders may be awarded potential supplements, according to a quarterly evaluation process (Articles 19, 21 and 22 of the Regulations for Grants of INESC TEC and Annex II), up to a maximum limit of 50% of the monthly maintenance stipend.

INESC TEC supports costs with registration, enrolment or tuition fees, during the grant duration, under the terms established in the internal document: "Payment of Tuition fees to grant holders".

The grant holder will benefit from health insurance, supported by INESC TEC.

## **Application Period**

Since 30 Jan 2025 to 12 Feb 2025

#### Centre

**Enterprise Systems Engineering** 

### Scientific Advisor

Catarina Moreira Marques

### What we offer

- Multicultural and collaborative environment
- A multicultural, international and collaborative environment that makes it easier to exchange ideas, work in networks and create synergies.
- International projects
- The possibility of working in international projects with some of the most important companies in the field.
- Mentoring
- Mentoring with the best researchers in the fields of electrical and industrial engineering, bioengineering, information technology and physics.
- Self Improvement
- The possibility of participating in international conferences, workshops, seminars and vocational training.
- Other Benefits and Perks
