**Lecturer Pool- Nuclear Engineering- College of Engineering**

**Position overview**

**Salary range:** Salary is based on the highest degree, previous college-level teaching experience, industry experience, and equity within the department. The UC academic salary scales set the minimum pay at appointment. See the following table for the current salary scale for this position: [https://ucop.edu/academic-personnel-programs/\\_files/2023-24/july-2023-acad-salary-scales/t15.pdf](https://ucop.edu/academic-personnel-programs/_files/2023-24/july-2023-acad-salary-scales/t15.pdf)  
The current full-time salary range for Lecturer positions is \$72,404 - \$192,040. TSP hourly rate: \$65

**Percent time:**

Downloaded On: Feb. 5, 2025 10:55am

Posted Feb. 4, 2025, set to expire Jun. 30, 2025

Lecturers: 11% - 100%

TSP: Hourly (4-40 hours per week)

The percentage of the appointment will vary, depending on the number of courses taught.

**Anticipated start:** Spring semester (only): 1/1/2025

Fall Semester (only): 8/1/2025

Academic-Year Appointments: 7/1/2025 This pool will remain open until the final date to accommodate upcoming course needs and new applicants. Applicants are considered for positions as needs arise; the existence of this pool does guarantee that a position is available

**Review timeline:** Appointments for the Fall semester are usually reviewed in April and for the Spring semester in October.

**Position duration:** Positions may be for one semester or for the full academic year.

### Application Window

**Open date:** October 2, 2024

**Most recent review date:** Thursday, Oct 17, 2024 at 11:59pm (Pacific Time)

Applications received after this date will be reviewed by the search committee if the position has not yet been filled.

**Final date:** Sunday, Aug 31, 2025 at 11:59pm (Pacific Time)

Applications will continue to be accepted until this date, but those received after the review date will only be considered if the position has not yet been filled.

### Position description

The Department of Nuclear Engineering at the University of California, Berkeley is generating an applicant pool of qualified temporary instructors to teach regular and Summer Session courses, should an opening arise. In addition to classroom/laboratory teaching and preparation, general duties may include (but are not limited to) managing and mentoring graders and/or graduate student instructors (teaching assistants), holding office hours, assigning grades, advising students, preparing course materials (e.g., syllabus), and maintaining a course website.

We are also seeking applicants for hourly Teacher Special Programs (TSP), should an opening arise. The TSP instructor's principal responsibility will be overseeing capstone projects in the Master of Engineering (MEng) program of the Nuclear Engineering Department. This will include the following

tasks: Designing and proposing capstone projects. Helping match students into suitable projects. Meeting with each capstone project team on a regular basis to review results, manage interpersonal aspects, and maintain efficient progress. Provide critical, constructive feedback on students' written reports and oral presentations. Coordinating and participating in the MS Plan II exam of each student at the end of the capstone project period.

### Qualifications

**Basic qualifications** (required at time of application)

Master's degree or equivalent international degree at the time of application.

**Additional qualifications** (required at time of start)

For Lecturers: Five years of experience in industry or a

research institute, or a Ph.D. or equivalent international degree by the start of the appointment.

For TSPs: Two years of experience in industry or a research

institute, or a Ph.D. or equivalent international degree by the start of the appointment.

### Preferred qualifications

Lecturer Positions:

Demonstrated excellence in teaching

Experience teaching college-level courses

A higher-level degree and/or prior teaching experience is preferred in one of the following specializations.

Specializations include, but are not limited to:

Nuclear Engineering

Nuclear Physics, Nuclear Reactions, Nuclear Detection

Radioactive Waste Management

Nuclear Fuel Cycle

Radiation Biological Effects, Dosimetry, Radiation Protection

Radiation Transport, Reactor Physics

Engineering Thermodynamics

TSP Positions: Mentoring experience in one or more of the related engineering fields/specializations or comparable experience/training.

The University of California, Berkeley is an Equal Opportunity/Affirmative Action Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age, or protected veteran status.

Please refer to the [University of California's Affirmative Action Policy](#) and the [University of California's Anti-Discrimination Policy](#).

In searches when letters of reference are required all letters will be treated as confidential per University of California policy and California state law. Please refer potential referees, including when letters are provided via a third party (i.e., dossier service or career center), to the [UC Berkeley statement of confidentiality](#) prior to submitting their letter.

As a University employee, you will be required to comply with all applicable University policies and/or collective bargaining agreements, as may be amended from time to time. Federal, state, or local government directives may impose additional requirements.

As a condition of employment, the finalist will be required to disclose if they are subject to any final administrative or judicial decisions within the last seven years determining that they committed any misconduct, are currently being investigated for misconduct, left a position during an investigation for alleged misconduct, or have filed an appeal with a previous employer.

- "Misconduct" means any violation of the policies or laws governing conduct at the applicant's previous place of employment, including, but not limited to, violations of policies or laws prohibiting sexual harassment, sexual assault, or other forms of harassment, discrimination, dishonesty, or unethical conduct, as defined by the employer.
