- Ph.D. in Computer Engineering or a closely related field from a Western accredited institution at the time of appointment.
- A track record of teaching and research in one or more of the specified areas. Industrial experience is highly desirable.
- Excellent English written and oral communication skills.
- Ability to work in a team.

The School of Engineering at AUD offers ABET-accredited undergraduate programs leading to Bachelor of Science degrees in Civil, Computer, Electrical, and Mechanical Engineering, and a Master's program in Construction Management. Our curricula are supported by state-of-the-art labs and facilities, a diverse group of faculty with outstanding expertise, and solid links with the professional community. With local and international accreditations in place and through a broad education grounded in cultural diversity and technical excellence, our graduates continue to be highly sought at the regional and global levels.

The compensation package for this position is competitive and is based on the expatriate model. Besides tax-exempt basic salary, it includes housing, annual two-way airfare, health / life insurance, professional memberships, conference attendance expenses, assistance with children's tuition, and other components.

The American University in Dubai is a private, non-sectarian institution of higher learning founded in 1995. It serves UAE nationals and international students who seek world-class career-oriented education. AUD, as an international institution of higher education, encourages global understanding by providing an atmosphere of cultural diversity and opportunities for an international education.

Applications will be accepted and evaluated until this position is filled.

Interested candidates are invited to submit their applications through [AUD's Recruitment Portal](#), where they can create their profiles and provide the necessary documents.

- Cover letter
- Updated CV
- Statement of teaching philosophy
- Contact information of three (3) academic/professional references.
