Job Description

The Department of Civil and Environmental Engineering (CEE) invites applications for a full-time, non-tenure track faculty Lecturer or Senior Lecturer position in Construction Engineering and Management, to begin no later than Fall 2025. This is a 12-month appointment, renewable each year depending upon teaching effectiveness, overall job performance, and availability of funding. The position will be 75% teaching and 25% service. Service will be primarily in the form of developing and coordinating an online construction engineering graduate program.

Auburn's Department of Civil and Environmental Engineering focuses on providing an excellent student-centered engineering experience and has multiple instructors with teaching awards at the department, college, university, regional, and national levels. The department is committed to fostering the development of the teaching capabilities and effectiveness of the person who fills this position. It is envisioned that this person will possess a passion for teaching and for mentoring undergraduate
