college-level teaching experience, relevant industry experience and equity within the department.

Percent time: 17% -33%. Instructors teaching one course with three hours of lecture per week during the semester will normally be appointed at 33% time; exact percentages depend on contact hours and other assigned duties. Other positions include TSP hours of 12-15 per class section.

Anticipated start: Spring semester (only): 1/1/2025-5/31/2026

Fall semester (only): 8/1/2025-12/31/2026

Academic-Year Appointments: 7/1/2025-6/30/2026

Review timeline: Applications will be accepted and reviewed for department needs, through October 14, 2025 . We typically review applications for annual course needs in February and August. If you wish to remain in the pool after October 14, 2025 you will need to reapply.

Position duration: Initial appointments may be for one semester or a full academic year. Positions may include 8 day boot camp classes and 7 to 15 week semester classes. All classes are current 1 unit.

Application Window

Open date: February 24, 2025

Most recent review date: Monday, Mar 10, 2025 at 11:59pm (Pacific Time)

Applications received after this date will be reviewed by the search committee if the position has not yet been filled.

Final date: Tuesday, Oct 14, 2025 at 11:59pm (Pacific Time)

Applications will continue to be accepted until this date, but those received after the review date will only be considered if the position has not yet been filled.

Position description

The Coleman Fung Institute for Engineering Leadership at the University of California, Berkeley invites applications for a pool of qualified temporary, part-time instructors to teach engineering management topics in the Master of Engineering program (Berkeley MEng) should an opening arise. Screening of applicants is ongoing and will continue as needed.

The MEng program offers coursework in technology innovation and management. We hire a number of qualified professionals and academics to hold temporary lecturer and TSP (Teacher Special Program)

appointments to lend variety and subject matter expertise to our core engineering leadership topics:

- Accounting
- Coaching for High Performing Teams
- Communications
- Diversity, Equity, Inclusion & Belonging
- Entrepreneurship
- Ethics
- Finance
- Global Business
- Global Innovations
- Industry Analysis
- Innovation
- Law
- Leadership
- Marketing
- Negotiations
- Organizational Behavior
- Product Management
- Project Management
- R&D Technology Management
- Teaming & Project Management
