College of Engineering

**Primary Unit:** Nuclear Engineering and Industrial Management

**Employee Category:** Faculty

**Classification Group Title:** Clinical Faculty

**Position Control Number:** 5782

**Suffix:** 00

**Contingency Code:** Not Applicable

**FTE:**1

**Contract Basis:** Academic Year

**Anticipated Contract Start Date:** 08/18/2025

**FLSA Status:** Exempt

**Tenure Tracking:** Non-Tenure Track

**Rank:** Negotiable (must be justified)

**Extension Type:** Not Applicable

**Administrative Appointment Type:** Not applicable

**Administrative Appointment End Date (if applicable):**

**Position Summary:**

The University of Idaho College of Engineering invites applications for a 9-month (academic year) non-tenure track Assistant or Associate Clinical Faculty position to teach courses at the undergraduate and masters level, to both in-person and distance students. The position will support programs in engineering management, technology management, and engineering technology.

The selected candidate will be expected to teach in areas such as project management, process improvement, quality control, advanced manufacturing, and management of engineering teams. The position is in the Department of Nuclear Engineering and Industrial Management and is located on the main campus in Moscow or one of the campus centers (Boise, Coeur d'Alene, Idaho Falls).

Rank is negotiable based on how the candidate meets the criteria outlined in the college and department bylaws.

**Unit/Department Summary:**

The Department of Nuclear Engineering and Industrial Management was formed during the summer of 2020 by bringing together graduate degree programs of nuclear engineering, engineering management, technology management and an undergraduate degree program of industrial technology (changing to engineering technology summer 2025 onwards). The department is located in Idaho Falls and has a close relationship with the Idaho National Laboratory. Students are located across the country as most of the classes are offered at a distance. Engineering Management and Technology Management masters programs are offered online only.

The University of Idaho is Idaho's major public research university, serving a land-grant mission in support of Idaho's economy and society by educating students at the undergraduate, graduate and professional levels to meet the needs of Idaho and our region; by conducting basic and applied research of impact and purpose; and by engaging statewide to improve the lives of Idahoans.

Established in 1889, the University of Idaho is the state's only land-grant institution and has recently earned the prestigious R1 Very High Research Activity status in the 2025 Carnegie Classification of Institutions of Higher Education with more than \$136 million in research funding. The main campus is in Moscow, a vibrant university community with campus centers in Boise, Coeur d'Alene, and Idaho Falls.

**Administrative Summary:**

**Contingency Description:**

**Teaching & Advising:** 95%

**Scholarship & Creative Activity:** 0%

**Outreach & Extension:** 0%

**University Service & Leadership:** 5%
