education. All areas in electrical engineering will be considered. Candidates with expertise or teaching experience in computer engineering or digital systems are especially encouraged to apply.

Job duties: Demonstrate a commitment to teaching excellence. Prepare and teach undergraduate and/or graduate classes. Contribute assessment information and data as requested. Mentor and/or advise undergraduate and/or graduate students. Engage in service within the academic unit, the university, and the profession as appropriate based on teaching constraints. Teach 7-8 classes each academic year.

The appointment commences for the fall 2025 semester.

### **Qualifications**

Minimum Education and Experience: A PhD or equivalent in Electrical Engineering, Computer Engineering or a related discipline is required prior to employment. Candidates are expected to demonstrate the ability to work effectively in a highly collaborative, engaging, and dynamic environment comprised of individuals with a range of backgrounds, skills, and perspectives. We are seeking candidates able to deliver high quality teaching using evidence-based practices to effectively engage students from a range of backgrounds and experiences.

Preferred Education and Experience: Qualified candidates are sought with prior teaching repertoire that includes two or more undergraduate-level classes, and with strong commitment to undergraduate education.

### **The Department and School**

UT Dallas's Department of Electrical and Computer Engineering was founded in 1986 and offers BS, MS, and PhD degrees. According to US News and World Report, the CE and EE graduate programs are ranked 50<sup>th</sup> and 59<sup>th</sup> among all universities, respectively. The programs are ranked 27<sup>th</sup> and 35<sup>th</sup> among all public universities. In Texas, ECE is ranked 3<sup>rd</sup> in its field. The department has over 900 undergraduate students, 400 graduate students, and 52 faculty. Our faculty is highly decorated with many NSF CAREER, DOE Early Career Research Program, YIP (ONR, AFOSR, DARPA), NSF, DoD, and industrial awards, averaging over \$15M of annual research expenditures. The proximity to the UT Southwestern Medical Center and joint graduate programs offers outstanding opportunities for collaborative research.

### **Application Instructions**

Applicants should upload the following via the [online application](#):

- Full curriculum vitae and cover letter summarizing their interests and qualifications for the position.
- Statement of teaching philosophy describing their conceptualizations of teaching and learning, and teaching and assessment methods, and how their teaching practices will engage students from a range of backgrounds and experiences.
- Optional: Research statement describing past, present, and future research, including how they mentor (or will mentor) student researchers and foster (or will foster) collaborative research environments.
- Optional: A writing/publication sample; and
- Full contact information for at least three academic or professional references.

Priority will be given to completed applications received by April 30, 2025. Reviews will continue until the position is filled or the search is closed on July 1, 2025.

### **The University and Community**

UT Dallas is a top public research university located in one of the nation's fastest-growing metropolitan regions. Our seven schools offer more than 140 undergraduate and graduate programs, plus professional certificates and fast-track programs. Our student body is 30,000 strong, reflecting students from over 100 countries and a multiplicity of identities and experiences. Over 65% of our undergraduate students receive some form of need- or merit-based financial aid; and 66% of graduating seniors have no student debt compared to 48% in Texas and 32% in the nation (2021 TICAS report).

UT Dallas is committed to graduating well-rounded members of the global community whose education has prepared them for rewarding lives and productive careers in a constantly changing world. A diversity of people, ideas, and perspectives is crucial to our vision and mission. UT Dallas is a place where members of the community from all backgrounds are welcomed, treated fairly, and encouraged in their pursuit of excellence.

The University has a variety of programs and initiatives to support engagement and success for all members of the campus community. Employee benefits include a range of physical and mental wellness resources. “LilyPad” lactation facilities are located throughout the campus. There are several Employee Resource Groups (ERGs) comprised of individuals who share common interests to help build community among UT Dallas faculty and staff (e.g., Universal Access ERG, Military and Veteran ERG, UT Dallas Young Professionals).

Rich with visual and performing arts venues, museum districts, professional and semi-professional athletics teams, botanical gardens, accessible trails and so much more, the Dallas-Fort Worth (DFW) metroplex has something for everyone to explore. UT Dallas partners with regional higher education institutions and school districts and with the [Richardson Innovation Quarter](#) (Richardson IQ), a major hub for innovation, entrepreneurship, and educational activities.

### **EEO/AA Policy**

#### **Equal Employment Opportunity**

The University of Texas at Dallas is committed to providing an educational, living and working environment that is welcoming, respectful, and inclusive of all members of the university community. The University [prohibits unlawful discrimination](#) against a person because of their race, color, religion, sex (including pregnancy), sexual orientation, gender identity, gender expression, national origin, age, disability, genetic information, or veteran status.
