Assistant Professor
University at Buffalo

Posting Detail Information

Position Summary

The **Department of Industrial and Systems Engineering (ISE)** at the University at Buffalo (UB) invites applications for a tenure-track position at the Assistant Professor rank in human factors engineering, starting in August 2025.

The successful applicant will:

- Have a strong record of research in physical ergonomics, wearable work technologies, and automated/personalized ergonomic solutions.
- Develop and maintain an active research program in occupational safety and health, teach and mentor students at the undergraduate and graduate levels, and participate in university and professional service.

Outstanding Benefits Package

Working at UB comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options. We also focus on creating and sustaining a healthy mix of work, personal and academic pursuit - all in an effort to support your work-life effectiveness. We support your growth and development through our career coaching and training department and we qualify as a public service loan forgiveness organization. Learn more about our **benefit packages**.

About The University at Buffalo

The University at Buffalo (UB) #ubuffalo is one of Americas leading public research universities and a flagship of the State University of New York system, recognized for our excellence and our impact. UB is a premier, research-intensive public university dedicated to academic excellence. Our research, creative activity and people positively impact the world. Like the city we call home, UB is distinguished by a culture of resilient optimism, resourceful thinking and pragmatic dreaming that enables us to reach others every day. Visit our website to learn more about the **University at Buffalo**.

University at Buffalo is an affirmative action/equal opportunity employer and, in keeping with our commitment, welcomes all to apply including veterans and individuals with disabilities.
