Located in the mid-town of Detroit, the Wayne State University (WSU) Computer Science department anticipates hiring multiple open-rank tenure-track faculty starting from Fall 2025. For senior candidates, appointment with tenure is possible. Candidates working in Computer Systems including Networking, Distributed and Parallel Computing, Edge and Cloud Computing, Cyber-Physical Systems, Internet of Things, Software Engineering, and related areas are especially encouraged to apply. Outstanding candidates who could complement and enhance current department strengths in other areas will also be considered. Candidates should have a Ph.D. in Computer Science, or closely related field, and the potential for excellence in teaching and research.

Applications must be submitted at

and must include a cover letter, curriculum vitae, teaching and research statements, and names and addresses of at least three references. Links to a professional website such as Google Scholar or DBLP are recommended.

Review of applicants has started and applications will be accepted until the positions are filled.

The Department of Computer Science at Wayne State has 24 tenure-stream faculty and 7 teaching faculty, with 5 NSF CAREER awards and over \$2.5M in annual research expenditure. Currently, we have over 1200 undergraduate students and about 200 graduate students. The department is committed to building a diverse faculty preeminent in its missions of research, teaching, and service to the community. Candidates who have experience engaging with diverse faculty, staff, and students, and contributing to a climate of inclusivity are encouraged to discuss their perspectives on these subjects in their application materials.
