professional development. The position is full-time, benefits eligible, and non-tenure-track. Appointments are made on an annual 9-month basis.

Located in Houston, the fourth largest city in the United States, UH is a Carnegie Tier One public research university that is located on a park-like campus a few minutes from the Houston city center. Houston is an international and multicultural city, with world-class theaters, museums, restaurants, and professional sports teams. It offers affordable housing and enjoys a low cost of living.

Qualifications

The ideal applicant for this position will be able to demonstrate the ability to function in a collaborative atmosphere with multiple stakeholders. Candidates must possess a solid commitment to engineering education and should demonstrate excellent communication skills.

Position Requirements:

1. Ph.D. in Civil Engineering.
2. Professional Engineer (P.E.) license in a US State or Territory.
3. Proven ability to teach core undergraduate courses, including Statics, Mechanics of Solids, Structural Analysis, and Geotechnical Engineering, along with experience in conducting laboratory sessions.

Other Preferred Qualifications:

1. Practical experience in the Civil Engineering industry.
2. Ability to teach courses in Foundation Engineering and Transportation Engineering.
