Job Description	

Research Opportunities

Programming / Informatics

Work description

- Collaborate with the InfraGov team on software development.
- Collaborate with the InfraGov team on the writing of scientific papers.
- Produce a technical report documenting all the tasks performed.

Academic Qualifications

- BSc degree in Computer Science and Engineering or similar area.

Minimum profile required

- Overall final grade of BSc greater than 17.

Preference factors

- Preference is given to candidates who have experience in software development (for example, developing full-stack applications), particularly as part of extra-curricular activities (such as internships or side projects).

Maintenance stipend: € 1040,98, according to the table of monthly maintenance stipend for FCT grants , paid via bank transfer. Grant holders may be awarded potential supplements, according to a quarterly evaluation process (Articles 19, 21 and 22 of the Regulations for Grants of INESC TEC and Annex II), up to a maximum limit of 50% of the monthly maintenance stipend.

INESC TEC supports costs with registration, enrolment or tuition fees, during the grant duration, under the terms established in the internal document: "Payment of Tuition fees to grant holders".

The grant holder will benefit from health insurance, supported by INESC TEC.
