Professor(s) / Associate Professor(s) / Assistant Professor(s)

(Ref: 250000E6)

The Chinese University of Hong Kong (CUHK) is ranked one of the top 40 universities worldwide according to the QS World University Rankings 2025. It is also named the Most Innovative University in Hong Kong by Thomson Reuters in four consecutive years (2016-19). In the 2020 Research Assessment Exercise, 100% of our impact cases achieved the highest rating 4*, meaning “outstanding impacts in terms of their reach and significance”. The overall quality in mechanical and production engineering of CUHK is also the highest, up to 94%, among all universities in Hong Kong by adding both categories of 4* (world leading) and 3* (internationally excellent). Further information about the Department is available at <http://www.mae.cuhk.edu.hk>.

The Department of Mechanical and Automation Engineering (MAE) at CUHK is seeking excellent candidates in the following areas:

- Design and manufacturing
- Dynamic systems and control
- Engineering materials and structures, computational materials
- Energy storage, green building and building automation, environmental engineering
- Robotics and embodied AI

Applicants should have (i) a PhD degree in Mechanical Engineering or a related discipline; and (ii) a proven record of academic scholarship and high potential for excellence in teaching and research.

The appointees will (a) teach undergraduate and postgraduate courses; (b) develop an externally funded high impact research programme; (c) supervise postgraduate students; and (d) provide service to the Department/Faculty/University, professional organizations and the community.

Similar to tenure tracked positions at universities in USA, appointments will normally be made on contract basis for up to three years initially commencing August 2025, which, subject to mutual agreement, may lead to longer-term appointment or substantiation later. Outstanding candidates with substantial experience for Professor rank may be considered for substantive appointment forthwith. The rank and exact start date will be negotiated with the successful applicants.

For more information, please contact Ms. YL Kan at ylkan@mae.cuhk.edu.hk.

Application Procedure

Applicants please upload the full resume with a cover letter, copies of academic credentials, publication list with abstracts of selected published papers, details of courses taught and evaluation
