**Distinguished Research Fellow, School of Engineering and Applied Sciences**

**Position Information**

**Position Title:** Distinguished Research Fellow, School of Engineering and Applied Sciences

**Department:** School of Engineering and Applied Sciences

**Posting Link:** <https://www.ubjobs.buffalo.edu/postings/57076>

**Posting Detail Information**

**Position Summary**

The **Distinguished Research Fellowship** Program seeks PhD graduates from underrepresented groups for postdoctoral experience and training in the [School of Engineering and Applied Sciences](#). The aim of the program is to develop a robust pipeline of potential underrepresented faculty members. Qualified participants may be able to transition into tenure-track faculty positions in UB's School of Engineering and Applied Sciences.

Preference is given to individuals who are recent graduates or have a few years of post-graduate work and strong academic credentials in areas that have the potential to add to and complement the School of Engineering and Applied Sciences [current research and teaching portfolio](#). **Applications will be accepted to all 9 departments within the School of Engineering and Applied Sciences.**

Fellows are partnered with at least one senior SEAS faculty member, and will gain first-hand experience in:

- Coordinating research programs,
- Guiding and mentoring graduate students
- Writing research proposals
- Conducting seminars

Each Fellow receives \$100,000, allocated as follows:
