Research Opportunities

**Electrical engineering**

### Work description

The work aims to apply coherent optical systems in submarine communication cables, leveraging phase and polarization information from transmitted signals for distributed sensing purposes. The goal is to use these techniques for the detection and monitoring of geophysical phenomena, taking

advantage of the existing optical cable infrastructure as a large-scale sensor network.

### Academic Qualifications

Degree in Electrical Engineering, Physics or Physical Engineering and attending a master's degree in the same area.

### Minimum profile required

Knowledge in electromagnetic waves and communications.

### Preference factors

Experience in RF electronics and optical communications

**Maintenance stipend:** € 651.12, according to the table of monthly maintenance stipend for FCT grants, paid via bank transfer. Grant holders may be awarded potential supplements, according to a quarterly evaluation process (Articles 19, 21 and 22 of the Regulations for Grants of INESC TEC and Annex II), up to a maximum limit of 50% of the monthly maintenance stipend.

INESC TEC supports costs with registration, enrolment or tuition fees, during the grant duration, under the terms established in the internal document: "Payment of Tuition fees to grant holders".

The grant holder will benefit from health insurance, supported by INESC TEC.

### What we offer

- **Multicultural and collaborative environment**
- A multicultural, international and collaborative environment that makes it easier to exchange ideas, work in networks and create synergies.
- **International projects**
- The possibility of working in international projects with some of the most important companies in the field.
- **Mentoring**
- Mentoring with the best researchers in the fields of electrical and industrial engineering, bioengineering, information technology and physics.
- **Self Improvement**
- The possibility of participating in international conferences, workshops, seminars and vocational training.
- **Other Benefits and Perks**
- Flexible working time, health insurance, discounts in hotels, transportation, etc.
- **Informal Events**
- Annual informal events, such as the multicultural party.
