Job Title Faculty Positions at All Ranks

Department School of Astronautics

https://icam.hit.edu.cn/

Institution Harbin Institute of Technology

Harbin, Heilongjiang, China

Date Posted Jun. 18, 2025

Application Deadline Open until filled

Position Start Date Available Immediately

Job Categories Graduate Student

Post-Doc

Visiting Professor

Research Scientist/Associate

Research Professor

Assistant Professor

Associate Professor

Professor

Endowed/Distinguished Professor

Academic Field(s) Structural Engineering

Polymer Science

Mechanical Engineering

Engineering Physics

Engineering Mechanics

Computer Engineering

Biomedical Engineering & Bioengineering

Aerospace/Aeronautical/Astronautics

Downloaded On: Nov. 21, 2025 3:31am
Posted Jun. 18, 2025, set to expire Dec. 19, 2025

Requirements for Faculty Positions:

- A PhD completed or near completion in related fields
- Track record of research and publications in international peer-reviewed journals
- An ability to contribute to different undergraduate and postgraduate teaching programs
- A desire and aptitude to contribute to a successful and fast-growing educational and research establishment.
- Knowledge of Chinese is not required, but is a plus

Benefit packages:

- You will be working with an Academician of the Chinese Academy of Sciences, Prof. Jinsong Leng
- Successful candidates will be appointed at the level of Postdoc, Associate, or Full Professor through HIT's evaluation system
- Worldwide competitive salary/start-up packages, cutting-edge facilities, newly constructed offices and labs.
- Opportunities to apply for national and provincial talent programs

How to apply:

Please send the following application materials to the center's secretary Ms. Zeyu Ning (Email: hit-icam@hit.edu.cn). All materials received will be kept confidential.

Applications should include:

- Curriculum Vitae, including nationality, age, a journal publication list with all authors, clearly
 marked corresponding author(s) or first author(s) if it's you, journal name, journal's JCR and "???"
 division, whether they are SCI, and impact factors etc.
- Reprints of 5 representative papers (within the last 5 years)

Description of HIT and HIT-ICAM:

- HIT is ranked #5th by US News for the Best Global Universities for Engineering.
- Harbin Institute of Technology (HIT) is a National Key University with science and engineering as its core and has developed with management, liberal arts, economy, law, and other disciplines. Presently HIT is a member of China's top nine University Union (C9). For more information about
