with highest degree, past college-level teaching experience, relevant industry experience and equity within the department.

Percent time: 17% -33%. Instructors teaching one course with three hours of lecture per week during the semester will normally be appointed at 33% time; exact percentages depend on contact hours and other assigned duties. Other positions include TSP hours of 12-15 per class section.

Anticipated start: Fall semester (only): 8/1/2025-12/31/2025

Spring semester (only): 1/1/206-5/31/2026

Academic-Year Appointments: 7/1/2025-6/30/2026

Review timeline: Applications will be accepted and reviewed for department needs, through the final date. We typically review applications for annual course needs in February and August. If you wish to remain in the pool after the final date you will need to reapply.

Position duration: Initial appointments may be for one semester or a full academic year. Positions may include 8 day boot camp classes and 7 to 15 week semester classes. All classes are current 1 unit.

Application Window

Open date: June 9, 2025

Most recent review date: Tuesday, Jun 24, 2025 at 11:59pm (Pacific Time)

Applications received after this date will be reviewed by the search committee if the position has not yet been filled.

Final date: Wednesday, Oct 14, 2026 at 11:59pm (Pacific Time)

Applications will continue to be accepted until this date, but those received after the review date will only be considered if the position has not yet been filled.

Position description

The Coleman Fung Institute for Engineering Leadership at the University of California, Berkeley invites applications for a pool of qualified temporary, part-time instructors to teach engineering management topics in the Master of Engineering program (Berkeley MEng) should an opening arise. Screening of applicants is ongoing and will continue as needed.

The MEng program offers coursework in technology innovation and management. We hire a number of

qualified professionals and academics to hold temporary lecturer and TSP (Teacher Special Program) appointments to lend variety and subject matter expertise to our core engineering leadership topics:

- Accounting
- Coaching for High Performing Teams
- Communications
- Diversity, Equity, Inclusion & Belonging
- Entrepreneurship
- Ethics
- Finance
- Global Business
- Global Innovations
- Industry Analysis
- Innovation
- Law
- Leadership
- Marketing
- Negotiations
- Organizational Behavior
- Product Management
- Project Management
- R&D Technology Management
- Teaming & Project Management
- Technology Strategy
- Other topics in Engineering Leadership

We hire for both lecturer and TSP positions. TSPs teach short courses on one or more of the topic areas listed. Most TSP courses are taught in a bootcamp' 8-day format in early August and early January.

Lecturers may be appointed for a semester or for the academic year, depending on instructional assignments. Lecturers and TSPs are responsible for the course syllabus, curriculum development and delivery, holding office hours, student assessment through relevant projects, presentations, problem sets, exams, and/or class attendance and participation, and assigning grades.

Applicants are considered for positions as needs arise; the existence of this pool does not guarantee that a position is available.

About UC Berkeley

UC Berkeley is committed to diversity, equity, inclusion, and belonging in our public mission of research, teaching, and service, consistent with [UC Regents Policy 4400](#) and University of California Academic Personnel policy ([APM 210 1-d](#)). These values are embedded in our [Principles of Community](#), which reflect our passion for critical inquiry, debate, discovery and innovation, and our deep commitment to contributing to a better world. Every member of the UC Berkeley community has a role in sustaining a safe, caring and humane environment in which these values can thrive.

The University of California, Berkeley is an Equal Opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, national origin, disability, age, or protected veteran status.

For more information, please refer to the [University of California's Affirmative Action and Nondiscrimination in Employment Policy](#) and the [University of California's Anti-Discrimination Policy](#).

In searches when letters of reference are required all letters will be treated as confidential per University of California policy and California state law. Please refer potential referees, including when letters are provided via a third party (i.e., dossier service or career center), to the [UC Berkeley statement of confidentiality](#) prior to submitting their letter.

As a University employee, you will be required to comply with all applicable University policies and/or collective bargaining agreements, as may be amended from time to time. Federal, state, or local government directives may impose additional requirements.

As a condition of employment, the finalist will be required to disclose if they are subject to any **final** administrative or judicial decisions within the last seven years determining that they committed any misconduct.

- "Misconduct" means any violation of the policies or laws governing conduct at the applicant's previous place of employment, including, but not limited to, violations of policies or laws prohibiting sexual harassment, sexual assault, or other forms of harassment or discrimination, as defined by the employer.
- [UC Sexual Violence and Sexual Harassment Policy](#)
- [UC Anti-Discrimination Policy](#)
- [APM - 035: Affirmative Action and Nondiscrimination in Employment](#)
