Job Description

The Department of Engineering Technology at Old Dominion University invites applicants for a Lecturer of Electrical Engineering Technology (EET) to begin in Fall 2025. This is an annual 10-month non-tenure-track appointment will begin July 25, 2025. The department is committed to recruiting, supporting, and fostering a diverse community of outstanding faculty, undergraduate students, and staff.

The primary responsibilities for this position are as follows:

1. Teach undergraduate courses in the [Electrical Engineering Technology](#) program, both on campus and through distance education through ODU Global, in areas such as **DC and AC circuits, electronic devices and circuits, digital electronics, linear electronics, microprocessors, programming, electric power, and programmable logic controllers.**
2. Contribute to systematic planning and development of the electrical engineering technology

**Lecturer of Electrical Engineering Technology (Non-
Tenure Track)
Old Dominion University**
