statement of teaching philosophy, also discuss how you would or have supported your classroom to be welcoming and supportive to all students. In the research statement, please address how your scholarship can be completed in the context of a primarily undergraduate institution. Review of applications will begin Nov. 1st and will continue until the position is filled. Questions concerning the position should be referred to Dr. Khalid Al-Olimat, Professor and Interim Chair, Electrical & Computer Engineering and Computer Science (ECCS) Department, k-al-olimat@onu.edu. Further information about the University is available at <http://www.onu.edu>

Principle Responsibilities:

Teaching courses within the ECCS Department is expected. Professional development and service to the department, college, university, profession, and community are also expected. Faculty are expected to pursue scholarly research and professional development opportunities.

Required Skills:

The applicant must be committed to teaching excellence in undergraduate engineering and computer science education and must possess excellent verbal and written communication skills.

Minimum Qualifications:

A.B.D. candidate with doctoral degree expected to be completed by 08/2026 or Ph.D. in Electrical Engineering, Computer Engineering, Computer Science, Engineering Education (with prior degrees in electrical or computer engineering), or closely related field.
