Posted Sep. 15, 2025, set to expire Jan. 28, 2026

Job Purpose

RIT Dubai is actively seeking outstanding candidates for a full-time faculty position in Industrial Engineering, beginning in the Spring semester of the 2026-2027 academic year. The responsibilities associated with this role encompass teaching, research, educational activities (including course development, undergraduate and graduate advising, and lab development), and active participation in professional service activities.

Required Qualifications for the Position

- Doctoral Degree: A Ph.D. in Industrial Engineering.
- Teaching Proficiency: The candidate should possess the ability to instruct a range of undergraduate courses (e.g., Fundamentals of Industrial Engineering, Materials Processing, Human Factor/ Ergonomics, Systems Simulation) as well as graduate courses (e.g., Lean Six Sigma and Engineering Value Creation).
- Student Mentorship: Ability to provide guidance and mentorship to MSc students working on their theses in their respective areas of expertise, as well as mentor undergraduate students as they navigate their capstone projects.
- Service and Research: Active participation in departmental, college, and university service activities, as well as a strong commitment to research and scholarly activities.
- American Higher Education Experience is preferred.
- Industry Expertise: Demonstrated industry experience within the field is highly advantageous.

Position Start Date: Spring 2026

Application Deadline: October 24, 2025.

Application and Nomination

Please submit the following items as part of your application to careersdubai@rit.edu:

- Subject Line: Clearly state your name and the position you are applying for (e.g., Dr. John Smith - Industrial Engineering).
- Curriculum Vitae
- Cover Letter: Provide a cover letter detailing your technical/professional background, teaching experience, and scholarly accomplishments.

- **Research Statement:** Provide a clear and concise statement highlighting your research interests, past contributions, and future directions.

Applications review will begin immediately and continue until a candidate is selected. Only shortlisted candidates will be contacted. For more information, please visit RIT Dubai website: www.dubai.rit.edu

EEO/AA Policy

The University is fully committed to equal opportunity at all levels without discrimination on the basis of race, gender, religion, age, family status, or national origin. In addition, discrimination is prohibited on any other basis prohibited by law that applies to the faculty member's employment at the University. As an American university, RIT Dubai will give priority to candidates who have substantial experience in American models of higher education.
