Job Description

The Department of Civil and Environmental Engineering (CEE) invites applications for a full-time, non-tenure track faculty Lecturer or Senior Lecturer position, to begin in Spring 2026 or Fall 2026. This is a 9-month appointment, renewable each year with the possibility of teaching during the summer term for additional compensation.

Auburn's Department of Civil and Environmental Engineering focuses on providing an excellent student-centered engineering experience and has multiple instructors with teaching awards at the department, college, university, regional, and national levels. The department is committed to fostering the development of the teaching capabilities and effectiveness of the person who fills this position. It is envisioned that this person will possess a passion for teaching and for mentoring undergraduate students.

Auburn University is understanding of and sensitive to the family needs of faculty, including dual-career
