Applicants from all research areas related to Industrial Engineering and Engineering Management will be considered. Applicants should hold a Ph.D. degree in Industrial Engineering or a related field, with at least one degree in engineering by the date of appointment. Preferred research areas include data science, decision analysis, operations research, project management, and human factors engineering. Candidates with teaching experience, industrial or post-doctoral appointments and a record of grant funding and scholarly publications are particularly encouraged to apply. Applicants interested in visiting positions are also welcome to apply. Faculty members delegated by the IEM department will be attending the informs annual meeting at Atlanta, GA, in October 2025, and the IISE Annual Conference at Arlington, TX, in May 2026. Please come see us if you are attending either of these conferences.

Applications should include a letter of interest, statements of teaching and research interests, CV, and the names and contact details of at least three references. The application should be sent by email to msfea@aub.edu.lb, and addressed to the Dean, Maroun Semaan Faculty of Engineering and Architecture, American University of Beirut, P.O. Box: 11-0236, Riad El-Solh Beirut: 1107 2020, Lebanon.

Consideration of the received applications will begin as of October 15, 2025, and will continue until the positions are filled. The proposed starting date is September 1, 2026. Salary will be commensurate with experience and qualifications. The American University of Beirut is an affirmative action, equal opportunity employer.
