<b>Job Description</b>	

**TWO POSITIONS AVAILABLE!**

The department of Biosystems Engineering at Auburn University is seeking candidates for one or multiple Research Assistant positions. These positions are funded from external sources, and continuation of employment is contingent upon availability of funds. The selected individuals will provide professional and technical assistance with research programs focused on the study of agricultural wastewater treatment and bioreactor development.

**Education and Experience:**

**Level I:** Bachelor's Degree in Engineering, Science, or Agriculture; no experience required.

**Level II:** Bachelor's Degree in Engineering, Science, or Agriculture and 2 years of experience in

research practices and protocols relevant to the position.

**Level III:** Bachelor's Degree in Engineering, Science, or Agriculture and 4 years of experience in research practices and protocols relevant to the position.

**Substitutions allowed for Experience:**

When a candidate has the required education, but lacks the required experience, they may normally apply additional appropriate education toward the experience requirement, at a rate of one (1) year relevant education per year of required experience.

Valid driver's license

**These are two-year limited term appointments. Continuation of employment is contingent upon the availability of funds.**
