### **Faculty Positions in Control, Robotics, Artificial Intelligence, Intelligent manufacturing and Intelligent system — School of Automation of Intelligent Manufacturing, SUSTech**

The School of Automation and Intelligent Manufacturing at the Southern University of Science and Technology (SUSTech) in Shenzhen, China, invites applications for tenure-track or tenured faculty positions **at all levels** (Assistant, Associate, Full, and Chair Professor) in the fields of **Control, Robotics, Artificial Intelligence, Intelligent manufacturing and Intelligent system**.

As a rapidly growing school, we are on a mission to become an internationally recognized leader in automation and intelligent systems. We are building a dynamic academic environment supported by world-class facilities, cutting-edge research, and an innovative curriculum designed to educate the next generation of pioneers.

#### **We are looking for candidates who will:**

- Develop and sustain a vigorous, externally funded, and internationally recognized research program.
- Demonstrate excellence in teaching at both the undergraduate and graduate levels.
- Contribute to our transdisciplinary academic community and provide mentorship to students.

#### **Position Tiers and Benefits**

We offer competitive packages tailored to different career stages, including but not limited to:

- A competitive salary and comprehensive benefits.
- Substantial start-up research funding.
- Housing support (university rental housing and/or a housing subsidy).
- Assistance with spouse/partner employment and children's education/childcare.

#### **1. Distinguished Professor (Chair Professor/Professor)**

- **Qualifications:** An internationally recognized leader with a distinguished record of scholarly achievement and significant impact in their field. Candidates should have experience as a

professor or equivalent at a renowned university or research institute.

- **Appointment & Support:** Appointment at the Chair or Full Professor level with a leading remuneration package and robust support.

### 2. Professor / Associate Professor

- **Qualifications:** An established scholar with a strong record of research and teaching, typically with experience as an associate professor or equivalent. Candidates should demonstrate the clear potential to become a field-leading scholar.
- **Appointment & Support:** Appointment at the Professor or Associate Professor level with a highly competitive package.

### 3. Assistant Professor / Associate Professor

- **Qualifications:** Outstanding early-career researchers, including those who have recently completed their PhD or are currently in postdoctoral positions, showing exceptional promise.
- **Appointment & Support:** Appointment at the Assistant or Associate Professor level with strong start-up support.

### 4. Postdoctoral Fellow

- **Qualifications:** Recently awarded a PhD, preferably under the age of 35.
- **Appointment & Support:** A competitive postdoctoral fellowship, with eligibility for transitional housing support.

## How to Apply

Please submit the following application materials to Ms. Fu ([fum@sustech.edu.cn](mailto:fum@sustech.edu.cn)):

- Curriculum Vitae
- Research statement
- Teaching statement
- Contact information for three references

Review of applications will begin immediately and will continue until all positions are filled.

*SUSTech is an equal opportunity employer and is committed to diversity within its community. We welcome and encourage all qualified candidates to apply.*

### About SUSTech

Southern University of Science and Technology (SUSTech) is a dynamic public university leading higher education reform in China. Located in Shenzhen, a vibrant innovation hub, our young institution is rapidly advancing toward its goal of becoming a world-class university excelling in interdisciplinary research.

Despite its youth, SUSTech has gained significant international recognition, ranking among the top 10 universities in mainland China (Times Higher Education 2022) and 11th in mainland China (QS World University Rankings 2023). We take pride in our global community of over 1,300 full-time faculty members dedicated to nurturing innovative talent and delivering new knowledge to the world.
