Job Description

The Department of Mechanical Engineering at Auburn University invites applications for a full-time tenure-track faculty position to begin in August 2026. Candidates with a strong background in mechanical engineering are encouraged to apply. Preference will be given to applicants with research expertise in one of the following emerging and strength areas of the department: additive and advanced manufacturing; biomechanics and rehabilitation; electronics packaging and reliability; robotics and mechatronics; and guidance, navigation, and control of unmanned and robotic systems. The individual selected for this position will be expected to contribute to the growth of the department by developing a strong, externally funded research program, collaborating on interdisciplinary research projects, publishing research results in appropriate scholarly outlets, directing graduate students,

teaching undergraduate and graduate courses, and being involved in service to the department and the profession. Excellent communication skills and a high level of personal motivation are required. Candidates will be considered at the Assistant, Associate, and Full Professor levels. Applicants at the Associate and Full Professor levels must have active nationally or internationally recognized research programs.
