Job Description

A postdoctoral position is available immediately at the College of Science and Engineering at Hamad bin Khalifa University (HBKU) in Qatar. The areas of interest include data management, networking, systems, and security.

Qualifications:

- A PhD in computer science or a related field.
- Strong programming skills (C/C++).
- Good publication record.
- Excellent written and communication skills.

Job duties:

- Perform scientific research.
- Publish in top-tier conferences and journals.
- Systems programming.
- Mentor MS and PhD students.

Appointment:

Postdoctoral researcher
Hamad bin Khalifa University

Direct Link: <http://www.AcademicKeys.com/r?job=96938>

Downloaded On: Feb. 22, 2018 9:59am

The initial term of the appointment is for one year, with the possibility of renewal based on mutual interest.

Benefits:

HBKU offers a very competitive compensation package that includes an attractive (tax-free) salary and numerous benefits such as housing allowance, medical insurance, and air ticket allowance.

Application:

Candidates should send the following information, as pdf attachments, to Dr. Spiros Bakiras (sbakiras@hbku.edu.qa):

- CV, including names and email addresses of 3 references.
- Short research statement (maximum one page).
- Soft copies of two recent publications.

Screening of applications will begin immediately, and will continue until the position is filled.

About us:

Hamad bin Khalifa University (HBKU), a member of Qatar Foundation for Education, Science, and Community Development (QF), was founded in 2010 to continue fulfilling QF's vision of unlocking human potential. HBKU is an emerging research university that acts as a catalyst for transformative change in Qatar and the region while having global impact.
