Fiscal Year2022-2023

Position Summary

The Institute of Bridge Engineering (IBE) in the School of Engineering and Applied Sciences at the University at Buffalo seeks qualified applicants for a non-tenure track Lecturer position with an in house title of Executive Director, Institute of Bridge Engineering. This position will report to the Director of IBE. As appropriate, the candidate may be given an in house title in the Practice series such as an Assistant Professor/Associate Professor/Professor of Practice.

We seek an experienced bridge engineer and/or researcher to:

- Mentor graduate students in the bridge engineering track on career and coursework planning,
- oversee graduate student projects in the bridge engineering track,

- identify funding and research collaboration opportunities,
- assemble research teams to pursue research funding, assist with proposal development and budgeting,
- maintain relationships with transportation agencies, and with local, regional, state and federal legislators and officials,
- communicate the impacts of IBE to transportation agencies and the professional community,
- represent and introduce IBE at local, state, national and international events, conferences, and workshops,
- work with the IBE Director on annual budgeting and financial tracking.

We are particularly looking for candidates who can operate effectively in a team environment and in a diverse community of students and faculty and share our vision of helping all constituents reach their full potential.

The School of Engineering and Applied Sciences at the University at Buffalo is the largest and most comprehensive of the SUNY engineering schools. The University at Buffalo (UB), a member of the prestigious American Association of Universities, is the largest and most comprehensive university in The State University of New York (SUNY) system, with about 20,000 undergraduates and 10,000 graduate students and 1600 fulltime faculty. The School of Engineering and Applied Sciences has 6,000 students enrolled across 9 academic departments.

Outstanding Benefits Package

Working at UB comes with benefits that exceed salary alone. There are personal rewards including comprehensive health and retirement plan options. We also focus on creating and sustaining a healthy mix of work, personal and academic pursuit – all in an effort to support your work-life effectiveness.
