AL-KHOBAR, KINGDOM OF SAUDI ARABIA

Position: Research Professor

Department: Research and Graduate Studies

School: Prince Mohammad bin Fahd University

Reports to: Dean of Research and Graduate Studies

Introduction

Technological progress and scientific discoveries have made economic activity mostly knowledge-based and have accelerated growth. It is only possible to meet all the challenges thus imposed, through decisions that are mainly based on research and studies that take into consideration the problems but also anticipate future trends and global expectations. Decision makers are in dire need for research and in-depth and futuristic studies that produce enlightened recommendations and help make the most suitable choices, while avoiding risks and overcoming challenges.

Prince Mohammad bin Fahd University strives to develop human intelligence, disseminate knowledge and find solutions based on research and scientific studies of problems experienced by societies. Based on its vision and mission in serving the local and international communities, and with the expertise, potential and facilities supporting scientific research and studies, and outreach activities, the University is inviting applications for Research Professor in the Dean of Research and Graduate Studies.

General Description

The Research Professor in the Deanship of Research and Graduate Studies is a highly ranked scholar who will:

Assistant / Associate / Full Research Professor, Deanship
of Research
Prince Mohammad Bin Fahd University
