**Job Description**

Adjunct for IDE 400 Senior Innovation I: Project Planning (First Half) & IDE 401 Senior Innovation II: Value Proposition (Second Half). These courses enable students to effectively identify senior design project topics, form and build teams and create a project charter.

IDE 400 focuses on techniques required to identify the customer segments, interview potential stakeholders and develop a set of requirements for their capstone design project. IDE 401 supports students working on their senior design projects in transforming their technical designs into innovations. To understand the challenges of innovation processes students will develop and present a business pitch and compete at the Elevator Pitch Olympics. IDE 401 is also synchronized with the
