**Fall 2024.** The position is subject to funding. The potential for future appointment as Non-Tenure-Track Assistant Professor exists.

The University of Massachusetts Lowell is committed to increasing diversity in its faculty, staff, and student populations, as well as curriculum and support programs while promoting an inclusive environment. We seek candidates who can contribute to that goal and encourage you to apply and to identify your strengths in this area.

Minimum Qualifications (Required):

- Undergraduate and Master's degrees in Civil Engineering, Environmental Engineering, or related field
- Doctoral degree in Civil Engineering, Environmental Engineering, or related field by the start of the appointment
- The ability to work effectively with diverse groups

Preferred Qualifications:

- Record of successful teaching experience at the college level
- Registration as a Professional Engineer and relevant industrial experience

Special Instructions to Applicants:

Review of applications will begin immediately and will continue until the position is filled. However, the position may close when an adequate number of qualified applications is received.

This non-tenured teaching faculty position is renewable.

Please submit the following required documents with your application:

- Curriculum Vita
- Cover Letter
- Teaching Statement/Philosophy/Experience/Interest (should include a short statement detailing interests and objectives)
- Evidence of Teaching (should include syllabi, course descriptions, class evaluations, etc.)
- Names and contact information of three references will be required at the time of application.
