Job Description

The Wichita State University (WSU) Aerospace Engineering (AE) department has one full-time Aerospace Engineering Educator position available. The position is focused principally on teaching freshman and sophomore level AE courses, but also include opportunities to teach higher-level classes and to get involved in department research and service activities.

Applicants must hold at least a master's degree in engineering or a strongly related discipline. A degree in aerospace engineering or notable aerospace industry/ research lab experience is *preferred*. A demonstrated ability to teach and communicate effectively is **required**.

Posted Feb. 26, 2024, set to expire Jun. 27, 2024

U.S. citizens or permanent residents with an undergraduate degree in aerospace engineering are *preferred*. If interested, apply – submitting your curriculum vitae, letter of introduction discussing your teaching philosophy, and contact information for at least **four** references located in the US.

The closing date is **April 30, 2024**, or until the position is filled. WSU is an EEO/AA employer. Offers of employment are contingent upon completion of a satisfactory criminal background check as required by Kansas Board of Regents policy. Official applications are only accepted through WSU jobs page at <http://jobs.wichita.edu>.
