undergraduate courses in Mechanical Engineering in English in-person for at least three to four months per year at the University of Houston-Dalian Maritime University Institute (in Dalian, China). In addition, this position may involve teaching undergraduate and possibly graduate courses on the University of Houston's main campus in-person or online from the United States. Additional information about the Institute, which delivers University of Houston undergraduate degrees in Civil Engineering, Mechanical Engineering, and Electrical and Computer Engineering, can be found at <https://dmu.egr.uh.edu/>.

EEO/AA Policy

The University is an Equal Opportunity/Affirmative Action employer and does not discriminate on the basis of gender, marital status, pregnancy, race, color, ethnicity, national origin, age, disability, religion, sexual orientation, gender identity or expression, veteran status, other legally protected characteristics or any other occupationally irrelevant criteria. Minorities, women, veterans, and persons with disabilities are encouraged to apply. The University of Houston is responsive to the needs of dual-career couples.
