Job Description	

Teaching Specialist

Michigan State University

The Department of Mechanical Engineering (ME) at Michigan State University (MSU) invites applications for a fixed-term Teaching Specialist for Fall semester 2024 and Spring semester 2025 to teach ME 280, Graphic Communications. Duties would include teaching sophomore and junior-level computer graphics courses and based on expertise, other 200-level undergraduate courses within the Mechanical Engineering department.

The Mechanical Engineering computer graphics curriculum uses the Siemens NX software platform. The preferred candidate will have demonstrated experience training students effectively in the use of

this software or similar experience. ME280, Graphic Communications, is a required 2-credit course that provides students a broad introduction to technical sketching, two-and-three-dimensional visualization, blueprint reading, and ASME standards, NX parametric solid modeling, component drawings, and complex assembly structures.

Candidates must have the ability to teach ME280, effectively communicate with undergraduate students, and work with graduate teaching assistants. The successful candidate will be responsible for teaching academic-year offerings of ME280 and another 200-level mechanical engineering undergraduate courses. The anticipated teaching load will be 8-9 course credit hours per semester during the academic year.

MSU enjoys a park-like campus in the city of East Lansing, adjacent to Lansing, the capital of Michigan. The Lansing metropolitan area has a diverse population of approximately half a million. Local communities have excellent school systems and place a high value on education. Michigan State University is proactive in exploring opportunities for employment for dual-career couples, both inside and outside the University. Information about MSU's dual-career support can be found at <https://worklife.msu.edu/dual-career>. Information about WorkLife at MSU and the College of Engineering can be found at <https://worklife.msu.edu/> and <https://www.egr.msu.edu/about/resources/faculty-staff/worklife-at-engineering>

Equal Employment Opportunity Statement
