2024 (for Fall 24), or January 2025 (for spring 25), or September 2025 (for Fall 25).

Candidates must have a Ph.D. degree in Industrial Engineering or closely related Engineering fields with an emphasis in one or more of the following areas:

1. Ergonomics and human-machine interaction
2. Planning and control of production and inventory systems
3. Supply chain management and optimization
4. Quality management systems and systems reliability
5. Systems modeling and simulation including manufacturing and service systems
6. Financial Engineering

The successful candidates will be expected to teach at both the graduate and undergraduate levels and to participate actively in research as well as to perform services to the university.

The Lebanese American University is an Equal Opportunity Employer operating in Lebanon under a charter from the Regents of the State University of New York. Information about the University can be found at <http://www.lau.edu.lb>

Interested candidates should apply electronically by sending an email to the School of Engineering Dean's Office at dean.soe@lau.edu.lb with an email Subject "**INE Full-Time Faculty Position**" and including the following attachments: (1) a letter of intent, (2) curriculum vitae, (3) research statement with a concise description of research contributions and plans, (4) teaching statement with a concise description of teaching contributions and plans, and (5) the names and contact information of 3 references.
