The Department of Industrial and Mechanical Engineering at the School of Engineering (located in Byblos, Lebanon) invites applicants for a tenure-track faculty position in the field of Mechanical Engineering.

Applications will be reviewed continuously until the position is filled. Expected start date is September 2024 (for Fall 24), or January 2025 (for spring 25), or September 2025 (for Fall 25).

Candidates must have an undergraduate degree in Mechanical engineering or in a related field and a Ph.D. degree in Mechanical Engineering with an emphasis in one or more of the following areas:

1. Manufacturing
2. Solid Mechanics
3. CAD/CAM

The successful candidates will be expected to teach at both the graduate and undergraduate levels and to participate actively in research as well as to perform services to the university.

The Lebanese American University is an Equal Opportunity Employer operating in Lebanon under a charter from the Regents of the State University of New York. Information about the University can be found at <http://www.lau.edu.lb>

Interested candidates should apply electronically by sending an email to the School of Engineering Dean's Office at [dean.soe@lau.edu.lb](mailto:dean.soe@lau.edu.lb) with an email Subject "**MEE Full-Time Faculty Position**" and including the following attachments: (1) a letter of intent, (2) curriculum vitae, (3) research statement with a concise description of research contributions and plans, (4) teaching statement with a concise description of teaching contributions and plans, and (5) the names and contact information of 3 references.
